Dad, it was really sad when grandma died, wasn't it?

For Parents

If we recognize the Bible as the history book of the universe, we will develop a worldview that trusts God's Word over man's word—and we will have the answers to confidently defend the truth of God.

The Seven C's of History start at the beginning—Creation—and finish with the new heaven and earth—the Consummation—at the end of history. The Seven C's are:

- **Creation:** In the beginning—about 6,000 years ago—in six 24-hour days, God made a perfect Creation (Genesis 1).
- **Corruption:** The first man, Adam, disobeyed the Creator. His sin brought death and Corruption into God's very good creation (Genesis 2:17).
- **Catastrophe:** Adam's race became so wicked that God judged the world with a great Catastrophe—a global Flood—saving only those on the Ark built by Noah (Genesis 7:23).
- **Confusion:** When Noah's descendants disobeyed God's command to fill the earth, God brought Confusion on their language, forcing them to spread over the earth (Genesis 11:7–8).
- **Christ:** The Creator became a man, Jesus Christ, who obeyed God in everything, unlike the first man, Adam (Matthew 1:21–23).
- **Cross:** Jesus, the Messiah, died on the Cross to pay the penalty for mankind's sin against God. He rose from the dead, providing life for all who trust in Him as Savior (1 Corinthians 15:3–4).
- **Consummation:** One day, at the Consummation, the Creator will remake His creation. He will cast out death and the disobedient, create a new heaven and new earth, and dwell eternally with those who trust in Him (Revelation 21:4).

# OutWord

For Family Discussion

Suppose your friends asked you, "If God is so good and so loving, why do so many bad things happen—pets die, people get sick and die, storms hurt or kill people? It doesn't make sense." **What can you tell them?**

*It is true that a lot of bad things happen now. But bad things aren't God's fault. He did not create them that way—He created everything very good. But sin entered the world when Adam disobeyed God in the garden. That is when suffering and death came into God's very good creation.*

For Family Study

"Tell your children about it, let your children tell their children, and their children another generation" (Joel 1:3). The generations to come need to know. It must start with you. Memorize and study God's Word with your family—you will be blessed.
